

what do I desire?

always rested
so sleep well everyday
always feeling good
always smiling
always happy
never angry
never irritated
never unfair
never bad
make love to a sexy woman twice a day everyday
healthy
ripped again, even more than before
financially independent, so not working
smart in humanistic/people sciences
have great people skills
don't be a weirdo == look good and respect social rules

what am I passionate about?

get financially independent
have swimming pool and big garden with heavy boxing bag, gym, and vegetable garden and chickens
solve "how to never see winter again?" problem
get British citizenship and spend 4 months a year on Bahamas
